**Post Lab Things to Turn In** (You already turned in your prelab before the lab, I don't need you to turn it in again!)

- Turned in after the lab. Due dates will be told to you in class. Order to put photos in Google Doc on Google Classroom:
  - **1st – Post Lab Two Pager** – Done on this template. Need more space? Use binder paper and clearly label it.
  - **2nd – Data Tables** – Done in lab notebook (I do not need photos of your entire prelab again! Just the data table filled out!)
  - **3rd – Post Lab Questions** – Questions on lab sheet, answers done in lab notebook.
